The EEF has produced *Moving forwards, making a difference: A planning guide for schools 2022–23*, to support schools in their planning efforts in the academic year ahead. It proposes a tiered model that focuses upon high-quality teaching, targeted academic support and wider strategies (such as improving attendance) to aid school leaders' existing planning efforts.

In this short webinar, we'll highlight key messages from the guide, ensuring you are prepared and supported to plan for 2022-23.
